

Practice Practical II

- Due No due date
- Points 26
- Questions 25
- Available after Jan 29 at 6am
- Time Limit 40 Minutes
- Allowed Attempts 3

Instructions

1. This is just a practice practical only! it is not meant to substitute studying the individual sections of the lab. Use it only to test your knowledge.
2. You will not be graded for this practice practical.
3. You will need to spell answers correctly. Click the text box to type your response.
4. You have 40 minutes to complete this practice exam.
5. You will have 3 attempts.

Note: you will need to spell answers correctly on the actual practical exam. For your practical exam, I will review your answers during grading. If your spelling is close enough to the correct answer, you will receive credit. However, if I do not recognize the word due to incorrect spelling, I will not be able to give credit for the answer.

:::
Question 1
1 / 1 pts

Name the bone.

incus

Incus

Correct answer

⋮

Question 2

1 / 1 pts

Name the bone.

stapes

Stapes

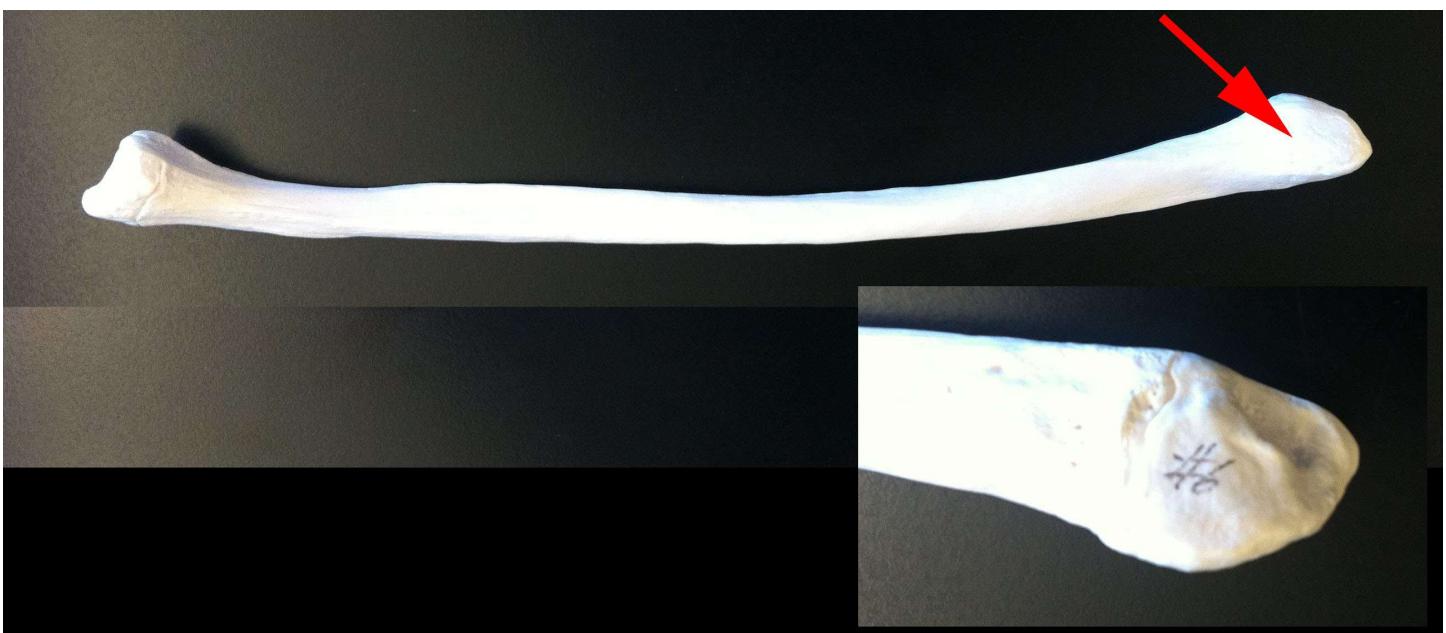

Correct answer

⋮

Question 3

1 / 1 pts

Name the structure.

lateral malleolus

lateral malleolus

lateral malleolus of fibula

Correct answer

⋮

Question 4

1 / 1 pts

Name the bone.

hyoid bone

hyoid

hyoid bone

Unanswered

⋮

Question 5

0 / 1 pts

The **glenoid cavity of the scapula** articulates with the:

Head of the humerus

humerus head

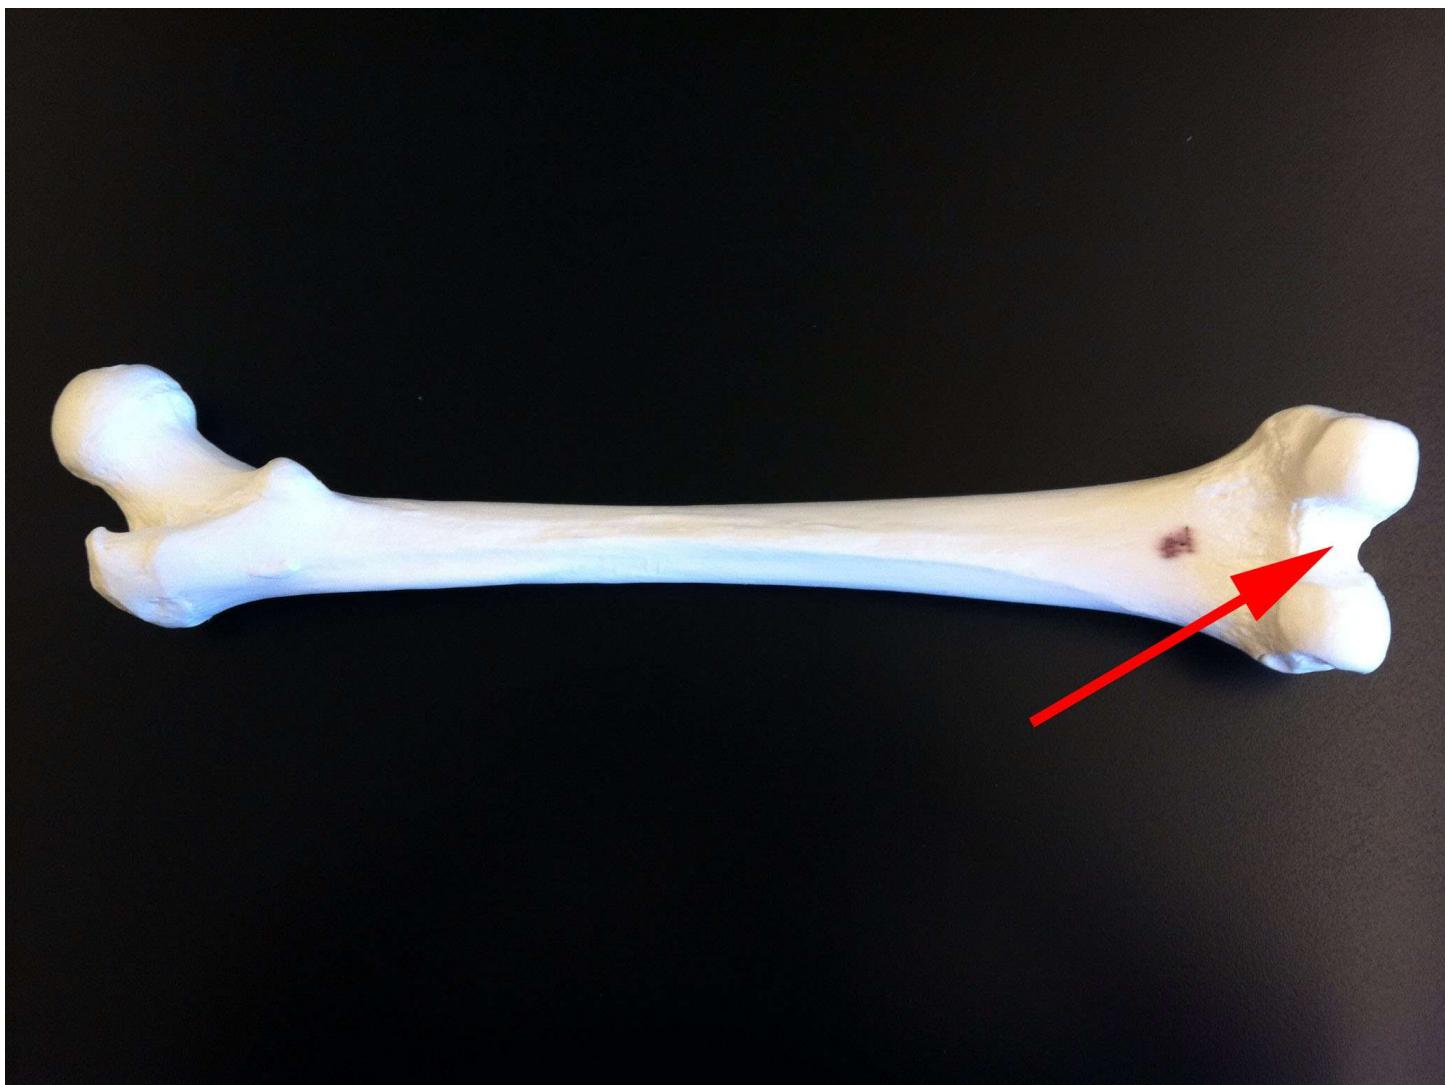

Wrong answer

⋮

Question 6

0 / 1 pts

Name the structure.

patellar surface

Intercondylar fossa

Correct answer

⋮

Question 7

1 / 1 pts

Name this bone.

tibia

tibia

Correct answer

⋮

Question 8

2 / 2 pts

Is this bone left or right?

left

left

Wrong answer

⋮

Question 9

0 / 1 pts

Name this bone.

famur

femur

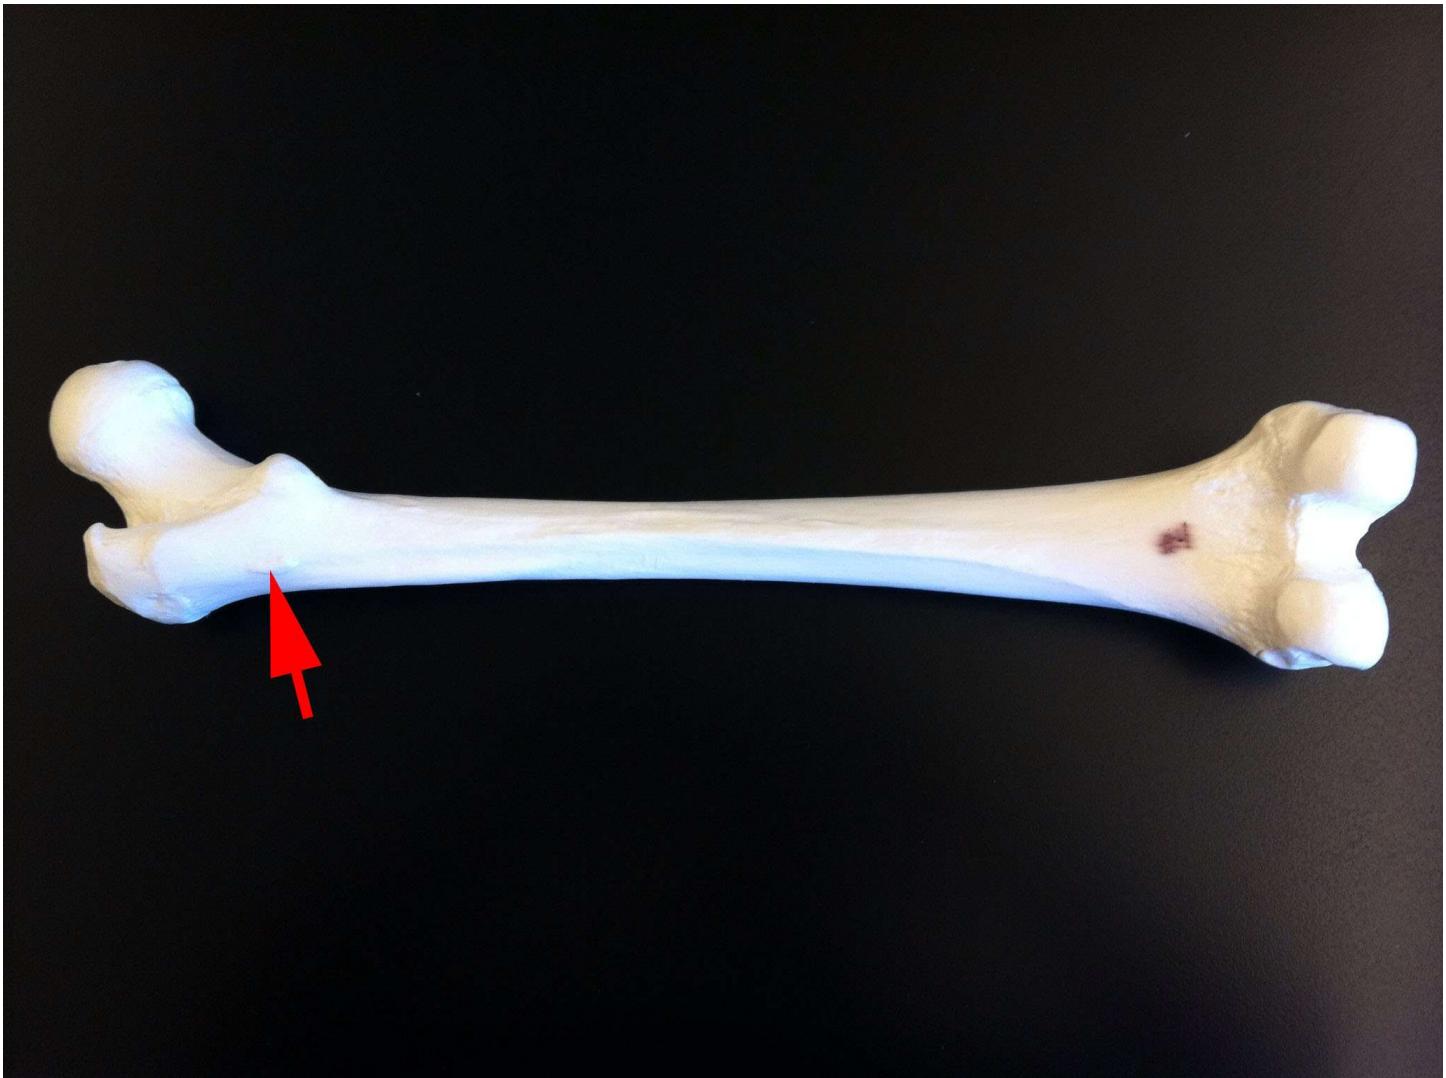

Correct answer

Question 10

1 / 1 pts

Name the structure.

gluteal tuberosity

gluteal tuberosity

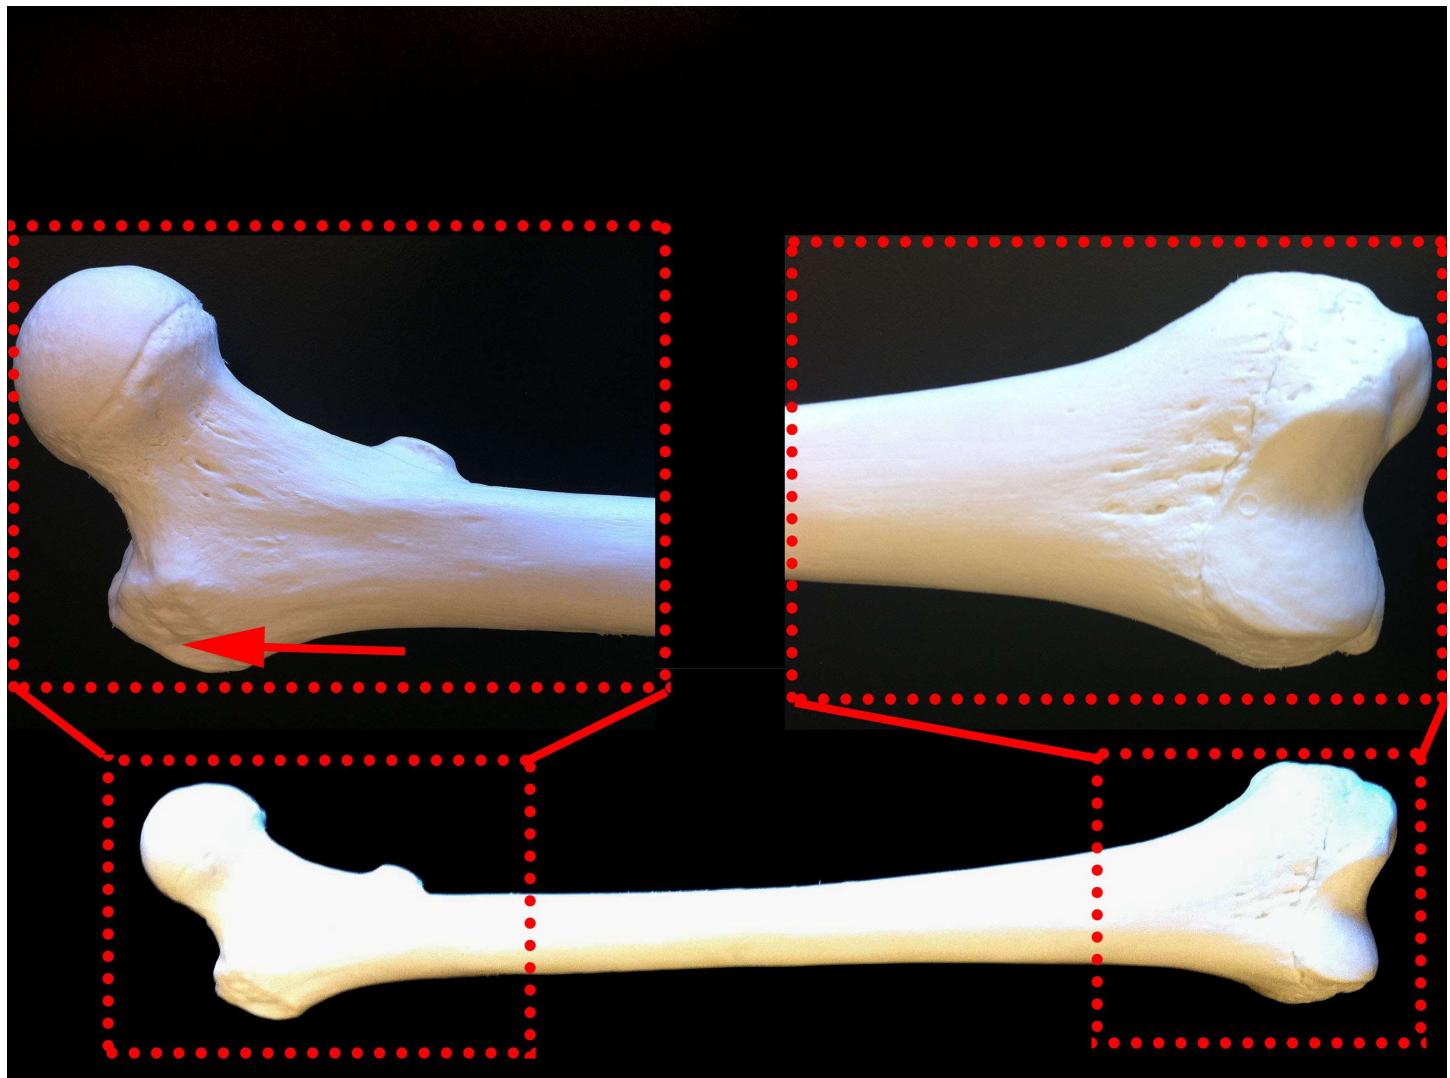

Correct answer

⋮

Question 11

1 / 1 pts

Name the structure.

greater trochanter

greater trochanter

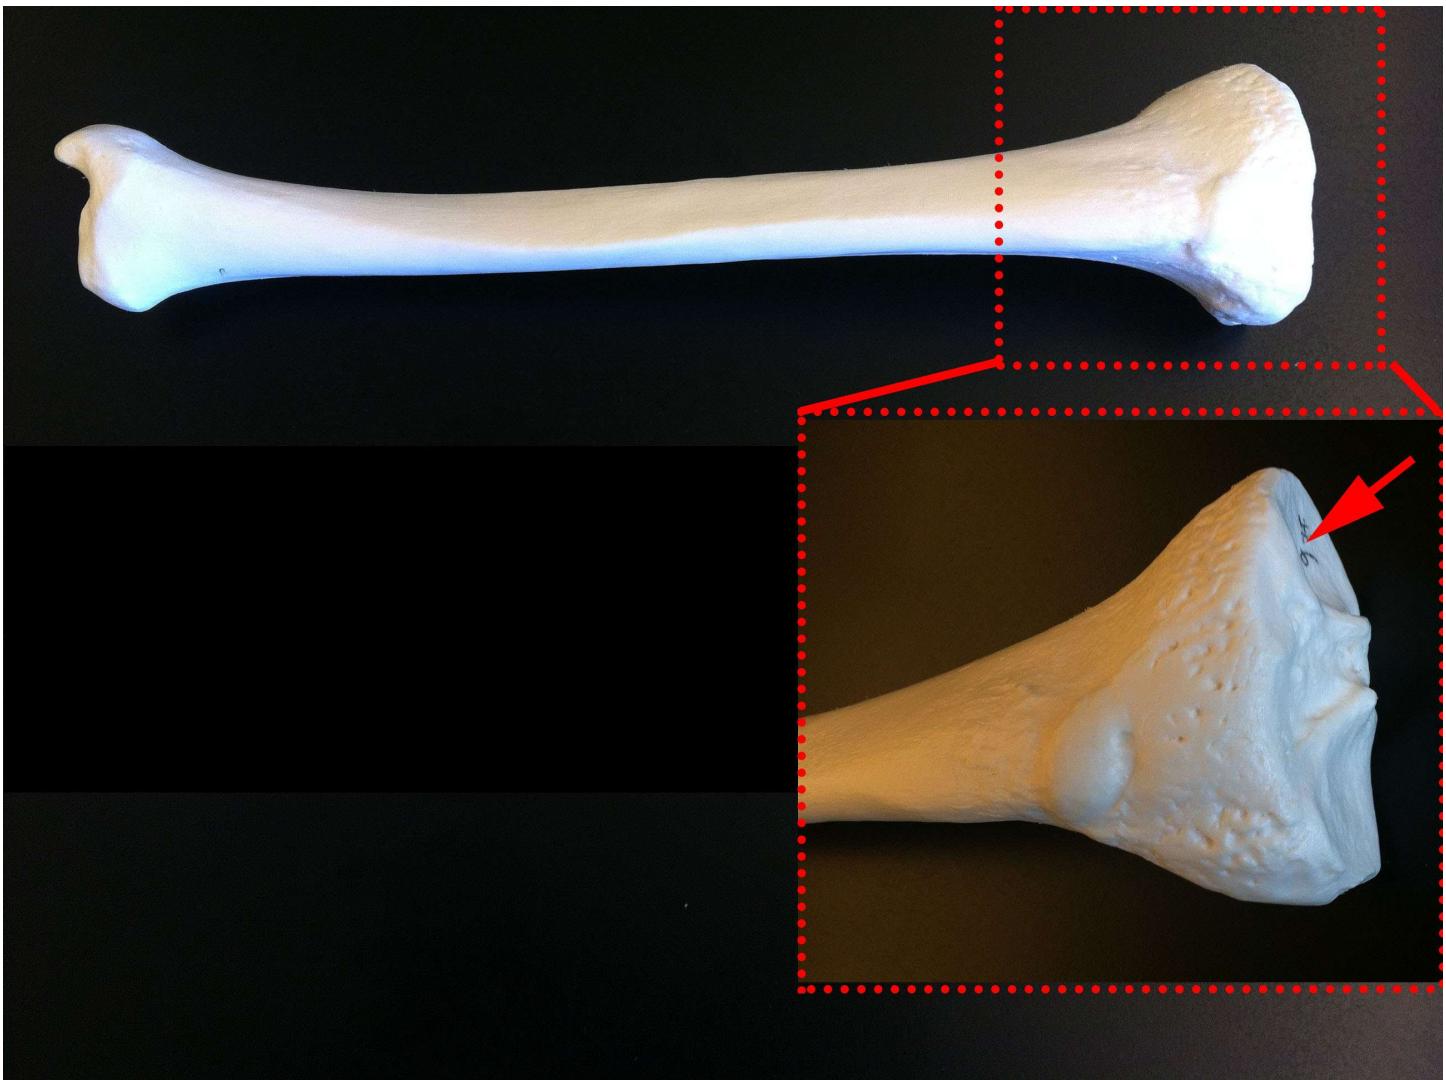

Wrong answer

⋮

Question 12

0 / 1 pts

Name the structure.

lateral condyle

medial condyle

medial condyle of tibia

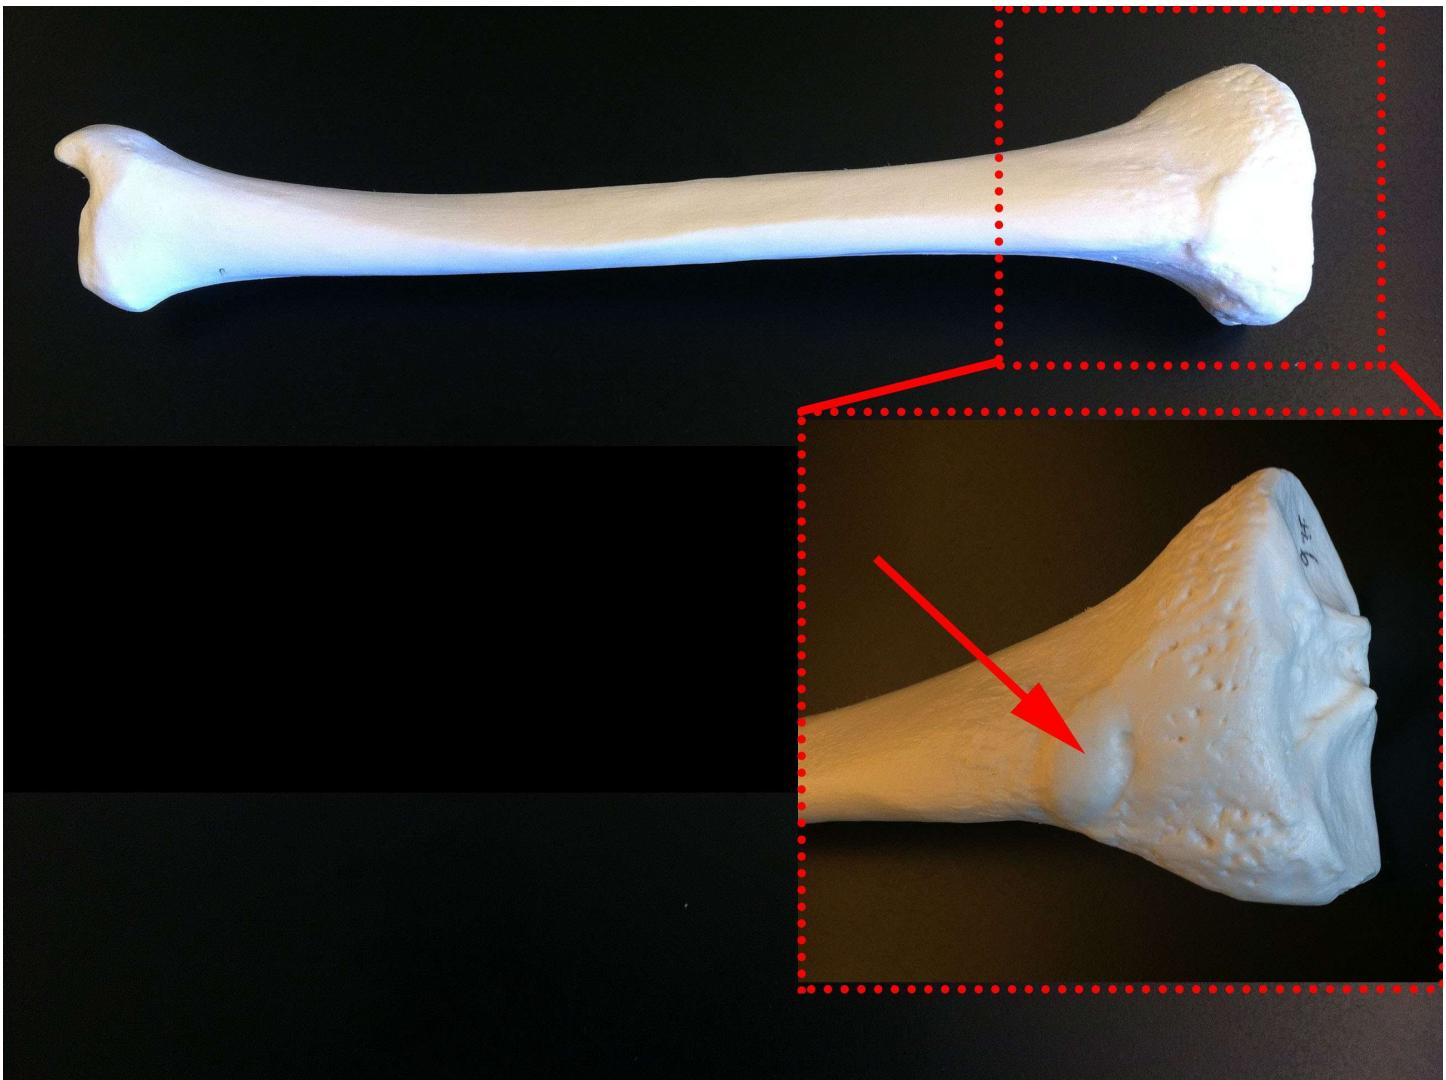

Correct answer

⋮

Question 13

1 / 1 pts

Name the structure.

tibial tuberosity

tibial tuberosity

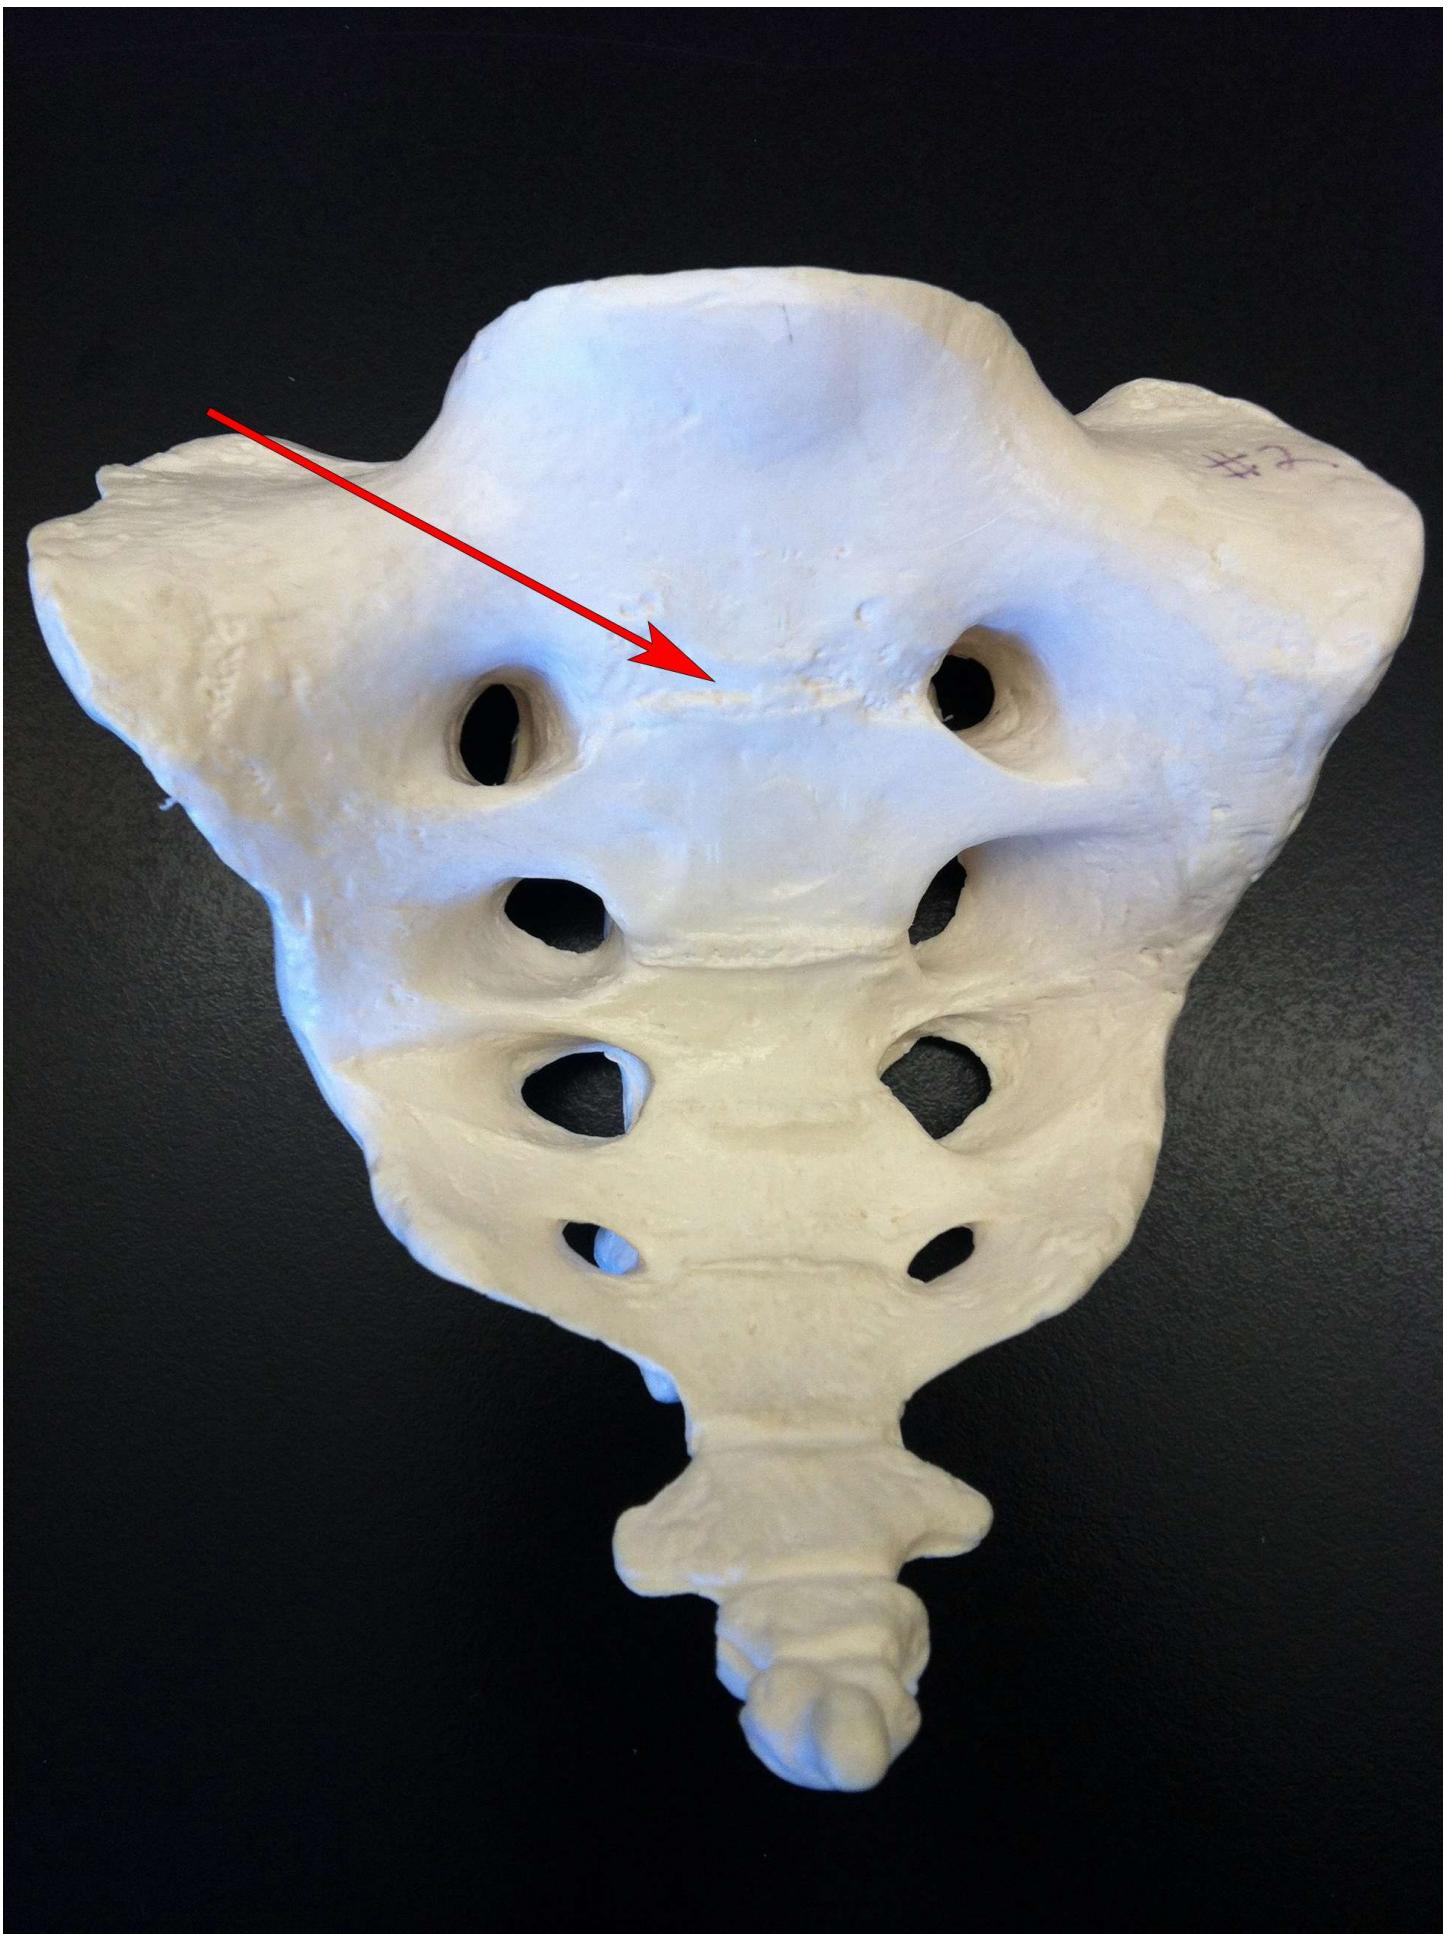

Correct answer

⋮

Question 14

1 / 1 pts

Name the bone.

sacrum

sacrum

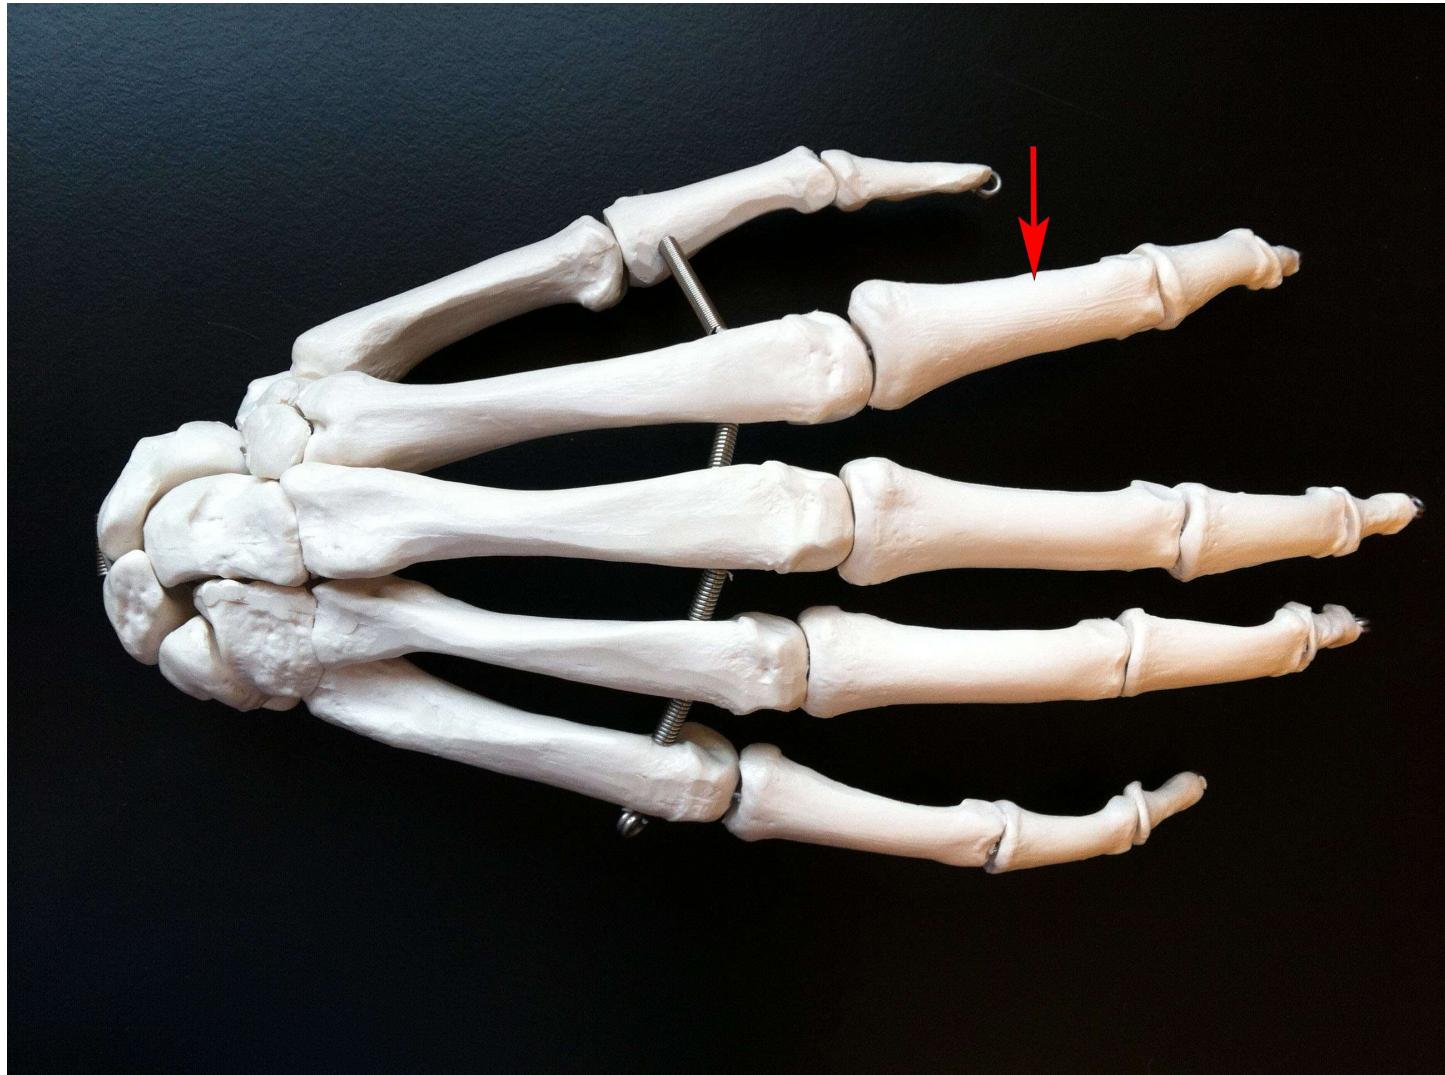

Wrong answer

⋮

Question 15

0 / 1 pts

Name the bone (be as specific as you can).

proximal

proximal phalanx 2

proximal phalanx II

Proximal phalanx two

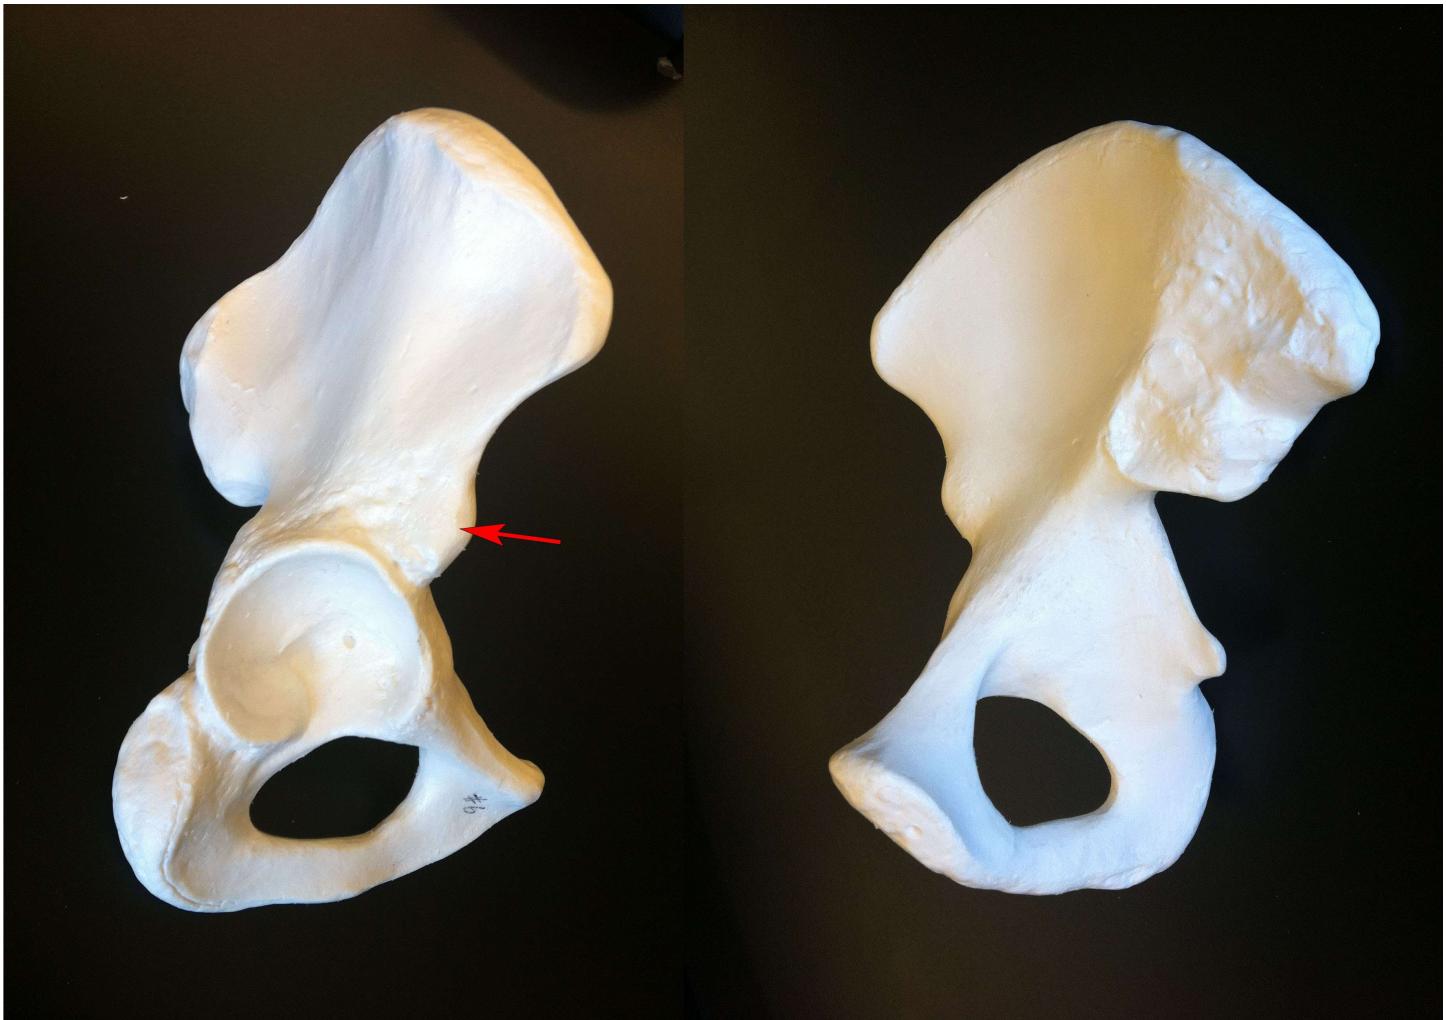

Wrong answer

⋮

Question 16

0 / 1 pts

Name the structure.

iliac spine

Anterior Inferior Iliac Spine

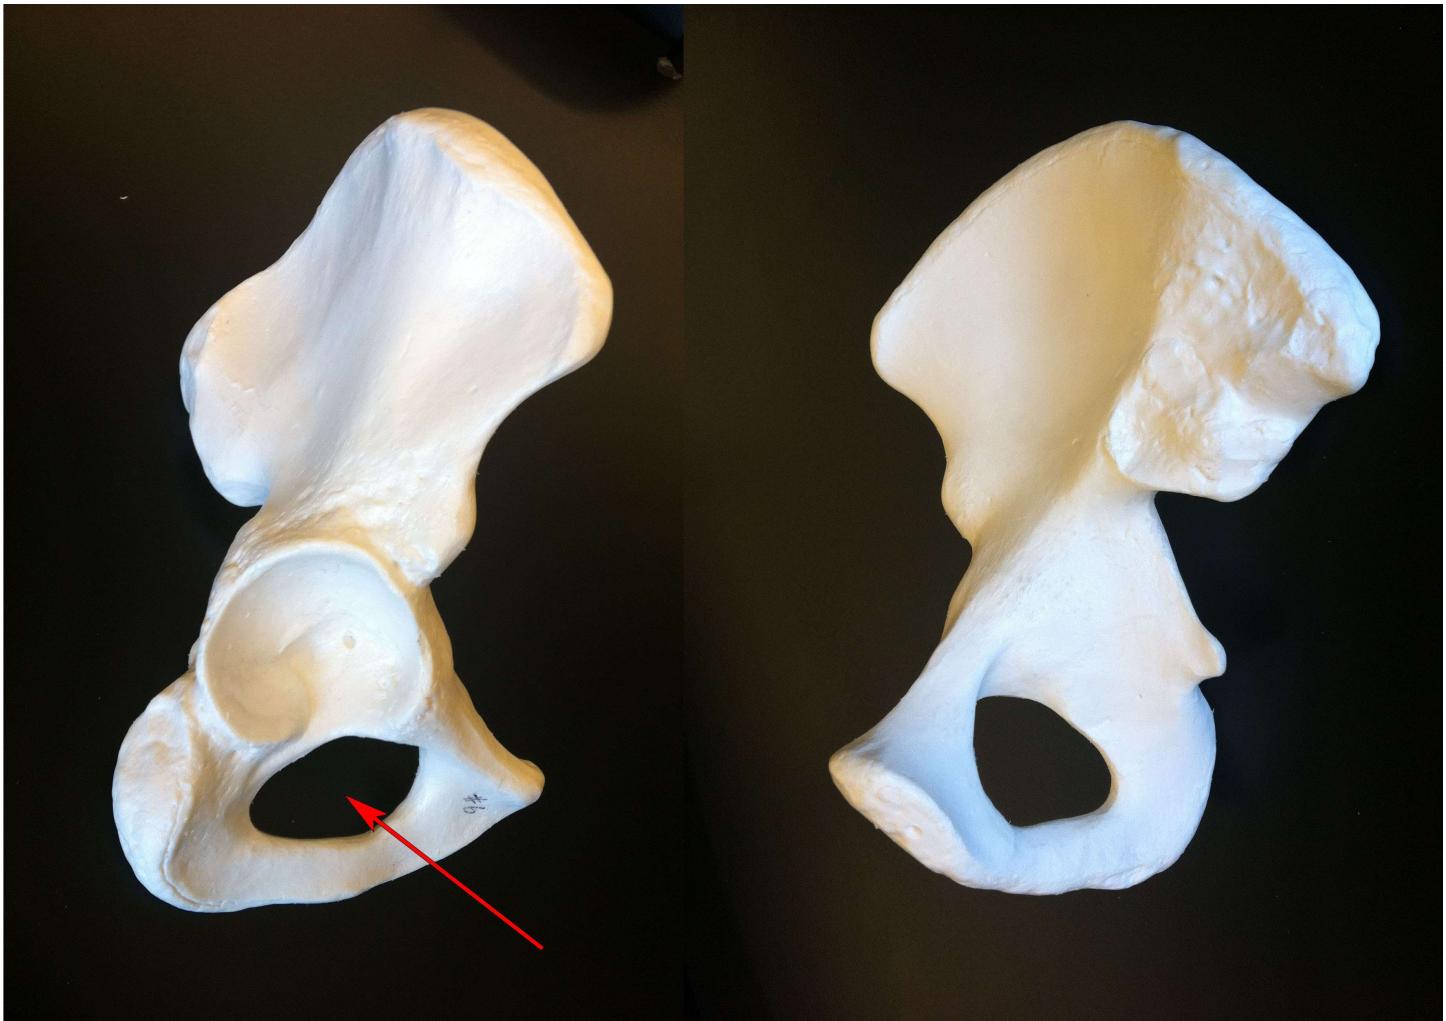

Wrong answer

Question 17

0 / 1 pts

Name the opening.

obturator foramen

obturator foramen

Correct answer

Question 18

1 / 1 pts

Name the structure labeled as B.

ANATOMY STANDARD

body

body

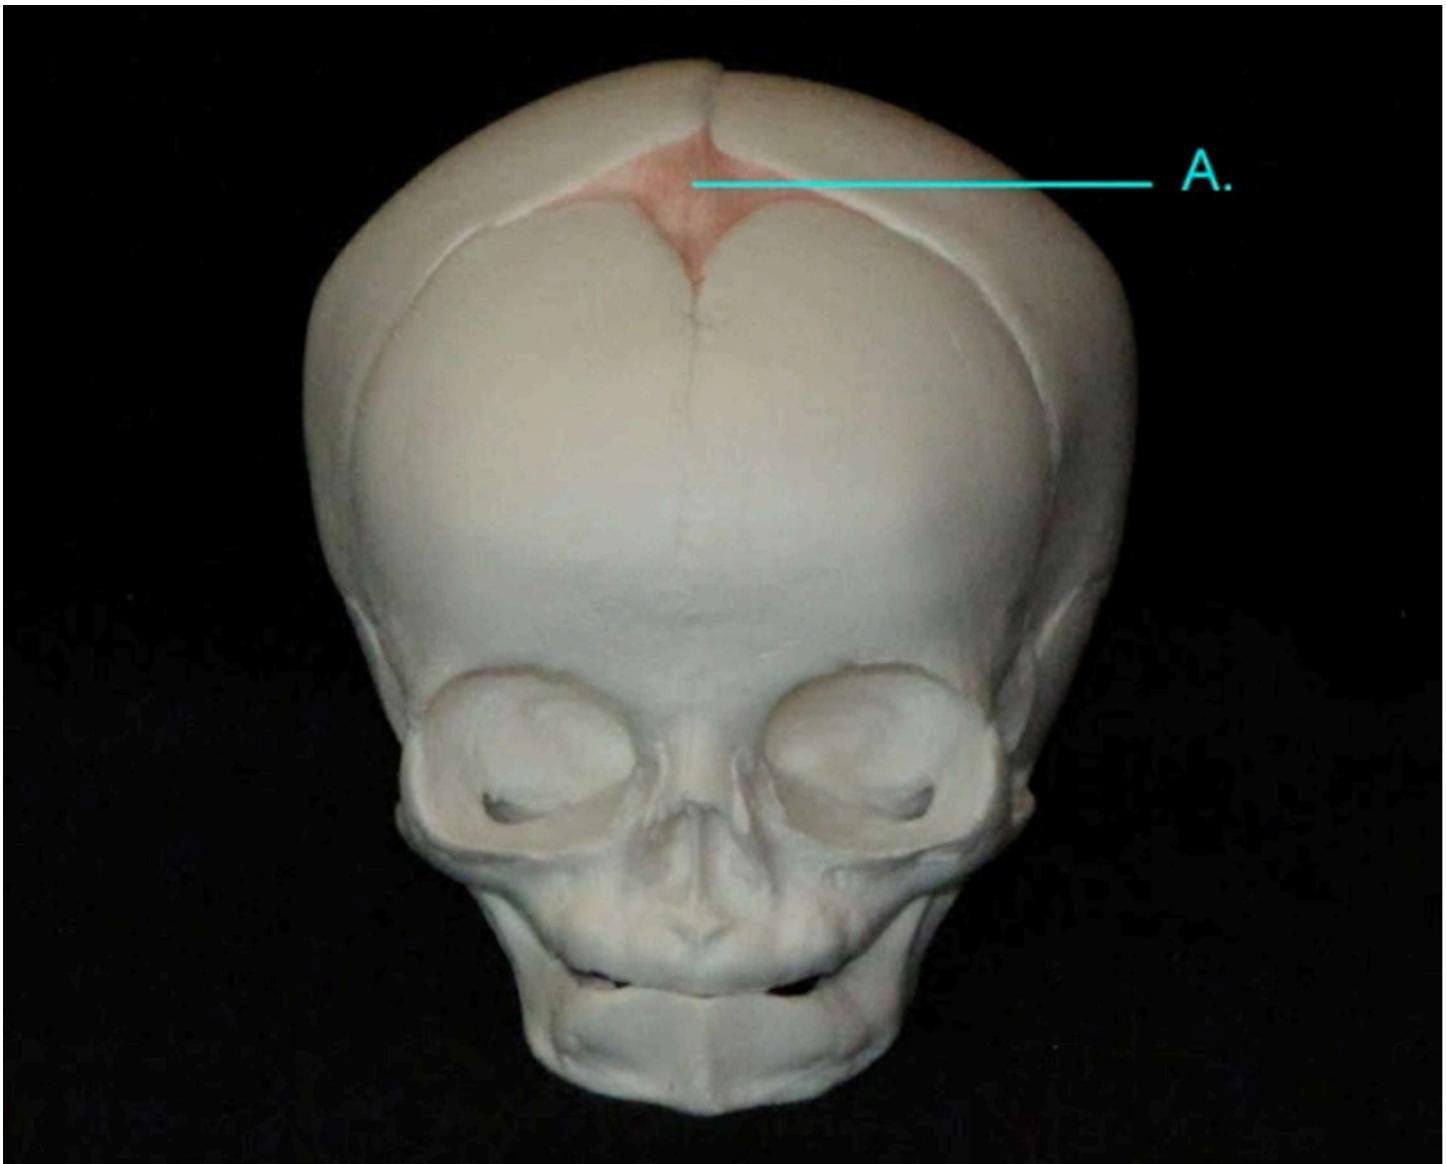

Wrong answer

⋮

Question 19

0 / 1 pts

Name the structure.

fontanel

frontal fontanel

anterior fontanel

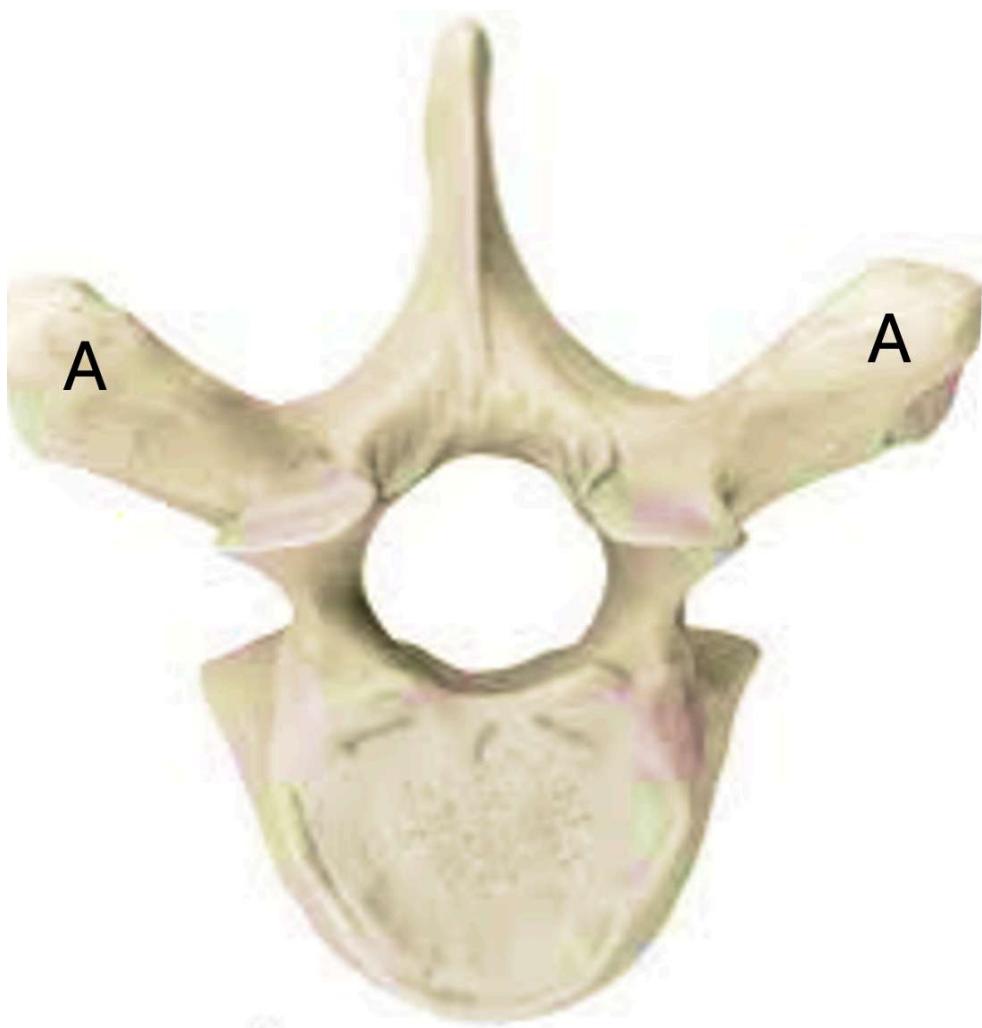

Correct answer

⋮

Question 20

1 / 1 pts

Identify A.

transverse process

transverse process

transverse processes

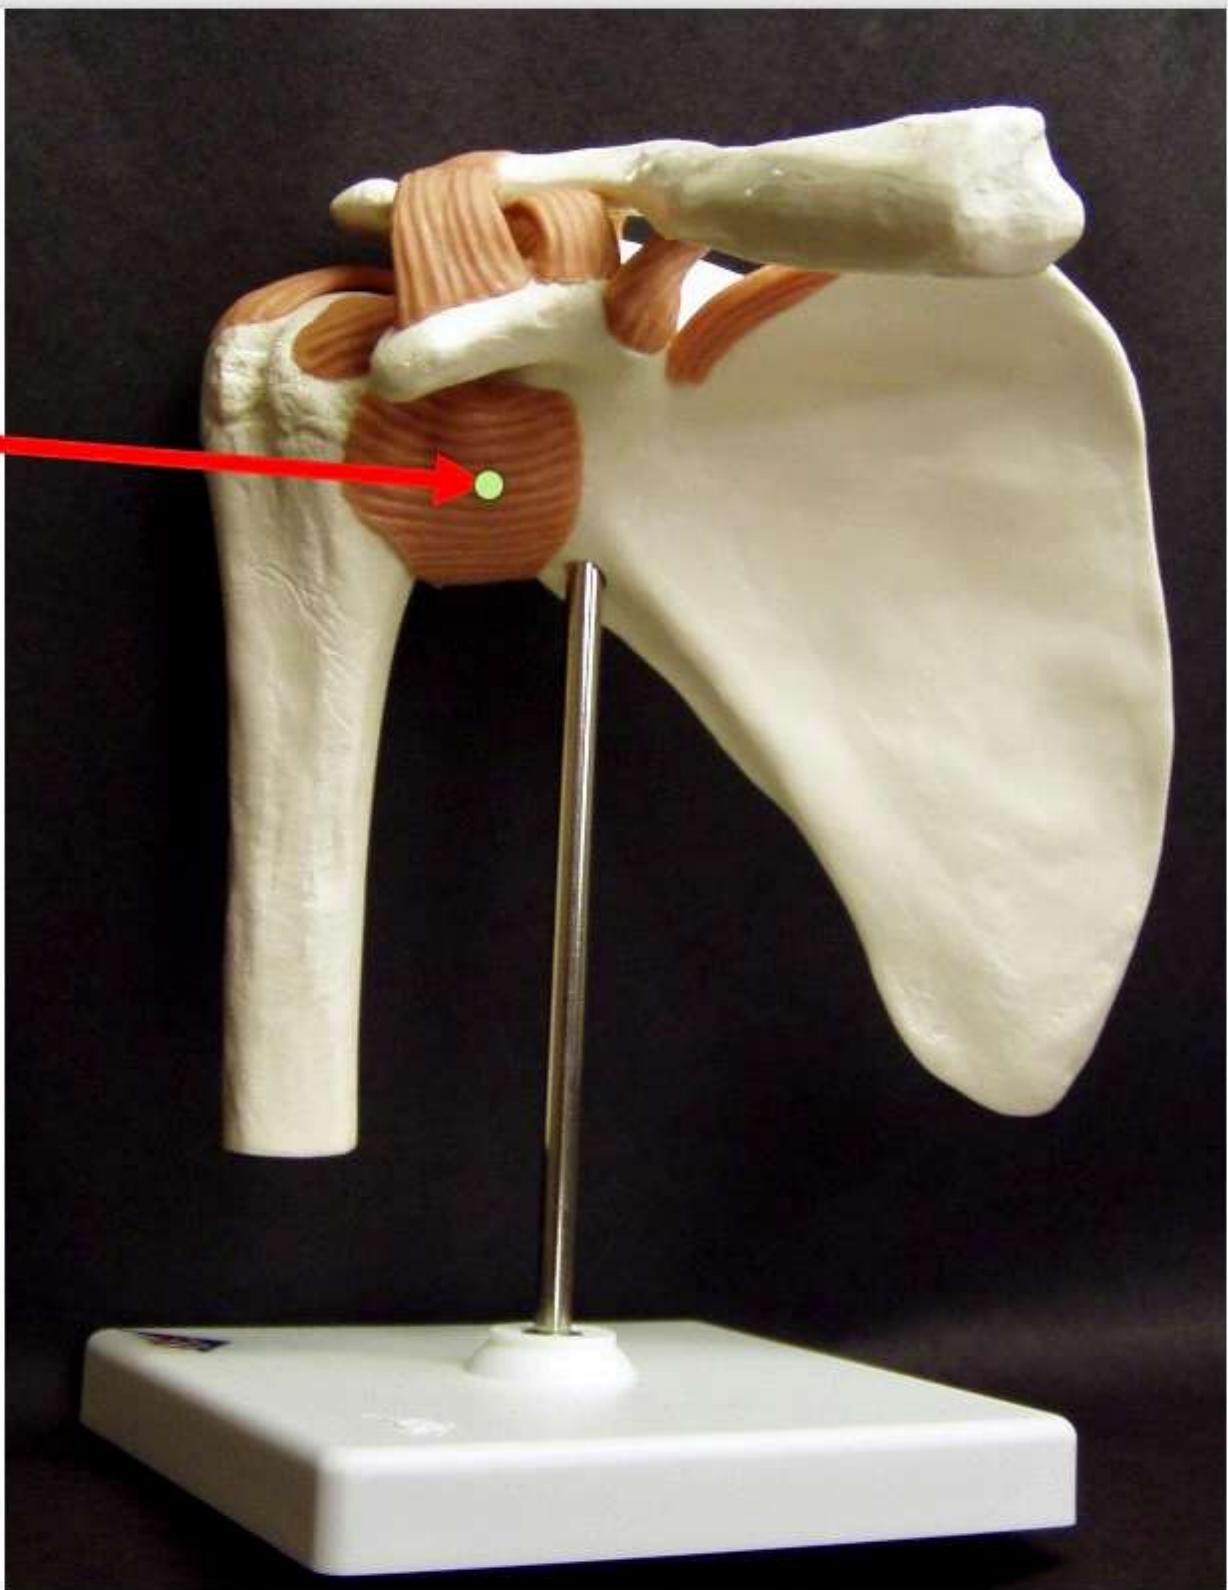

Unanswered

⋮

Question 21

0 / 1 pts

Identify the structure.

glenohumeral ligament

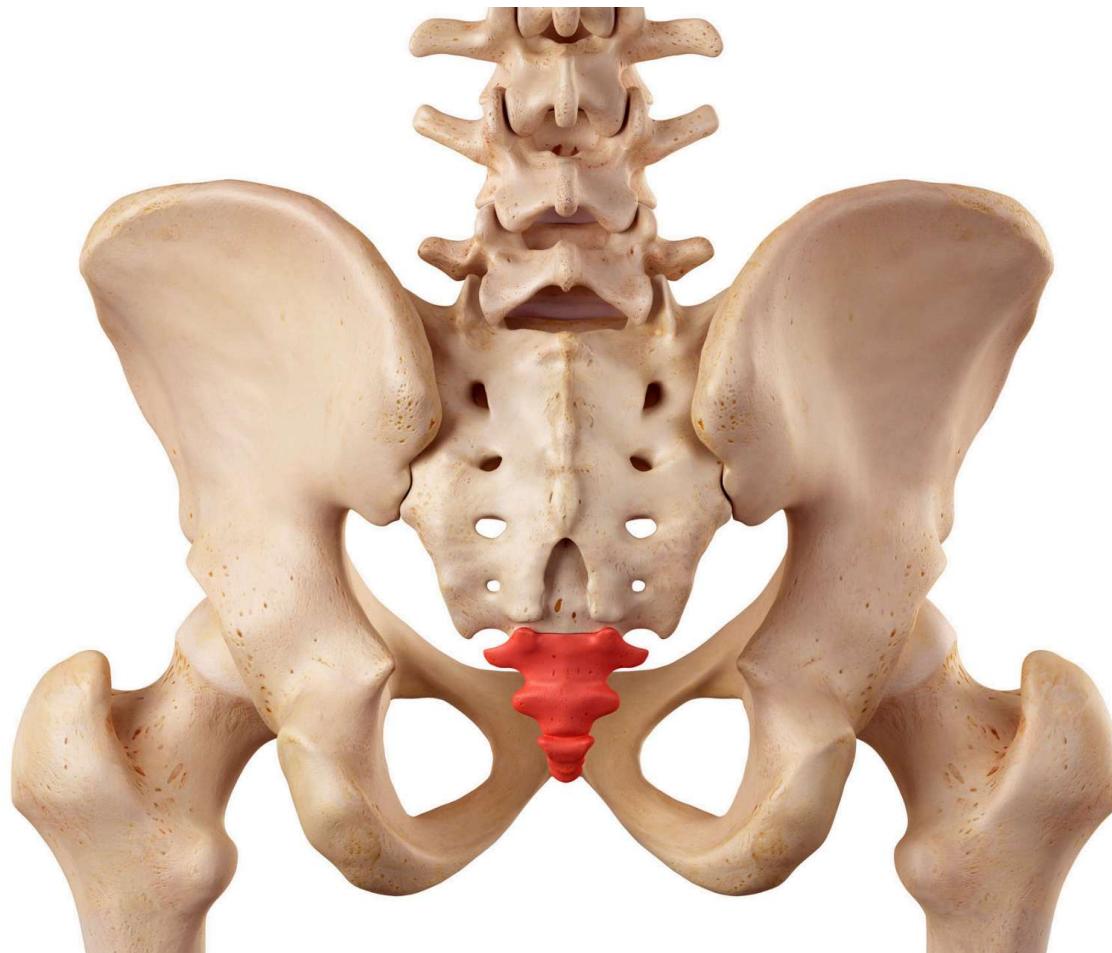

Correct answer

Question 22

1 / 1 pts

Name the bone in red.

coccyx

coccyx

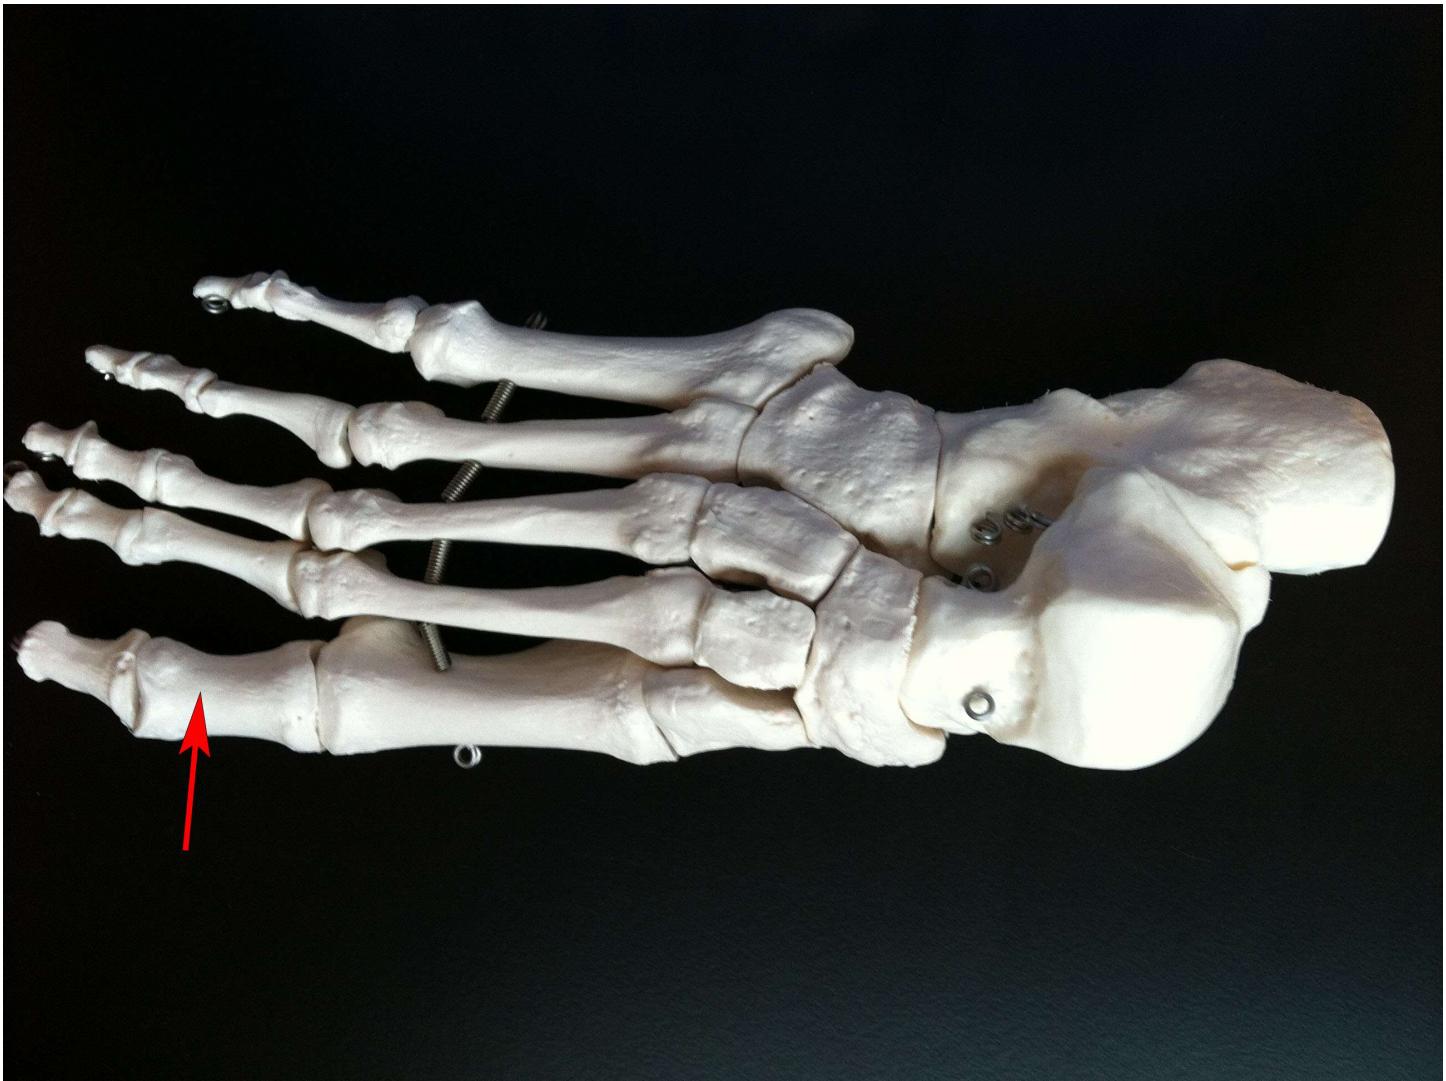

Wrong answer

Question 23

0 / 1 pts

Name the bone. (Be as specific as you can)

proximal

Proximal Phalanx 1

Proximal Phalanx I

First proximal phalanx

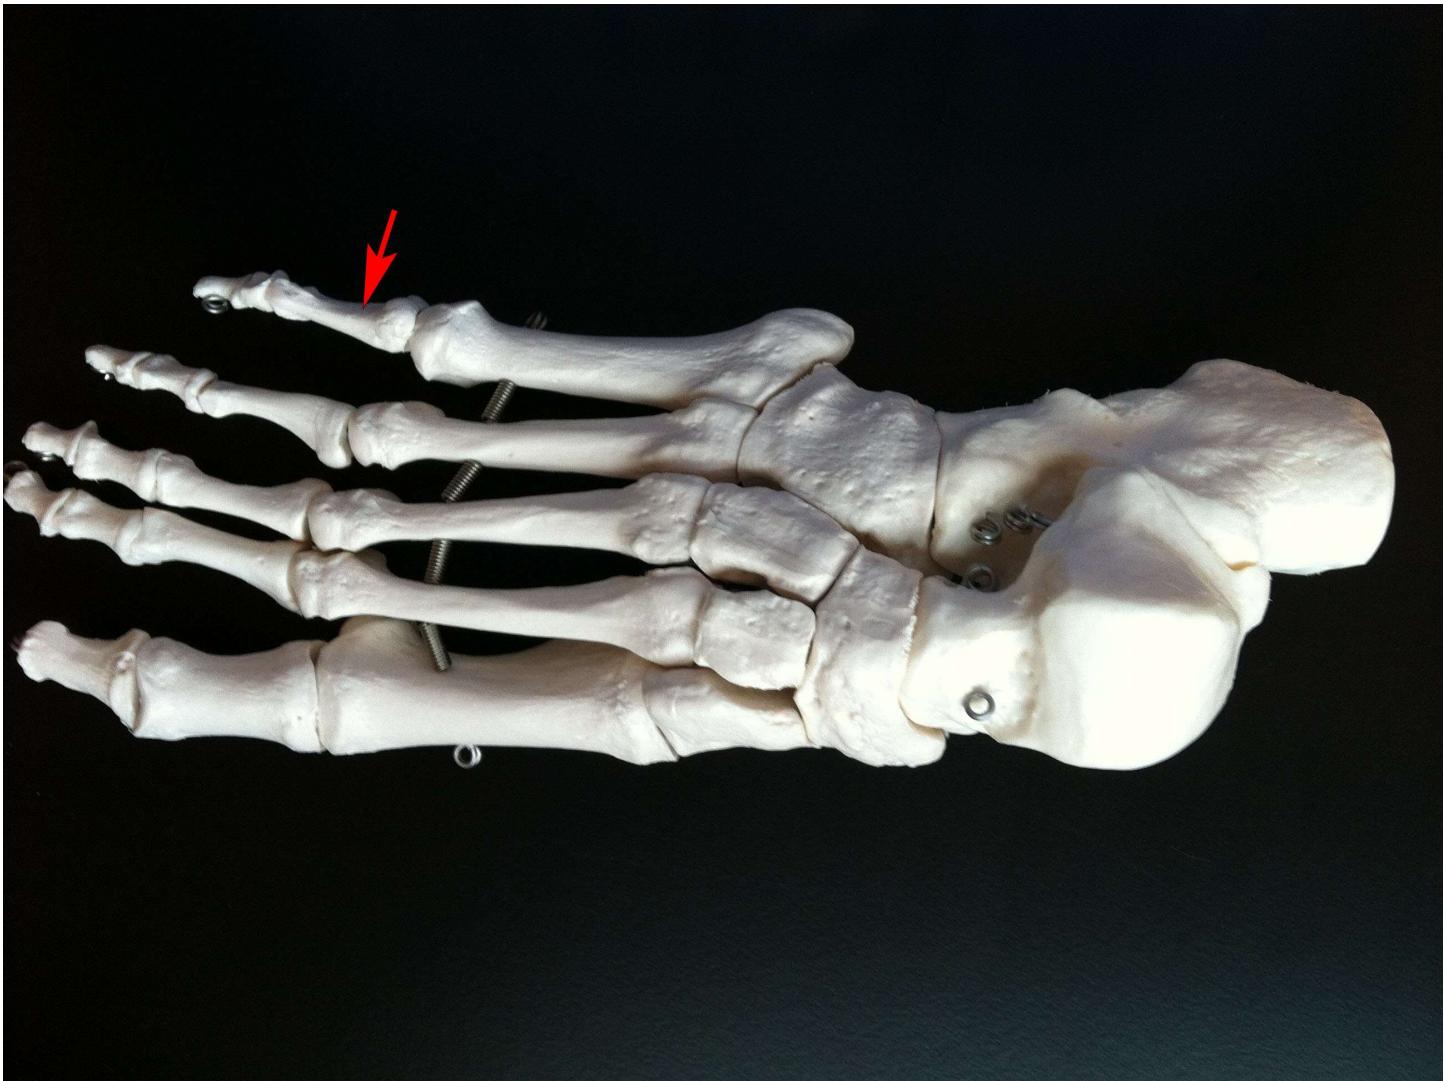

Wrong answer

⋮

Question 24

0 / 1 pts

Name the bone. (Be as specific as you can)

proximal

Proximal phalanx 5

proximal phalanx V

Fifth proximal phalanx

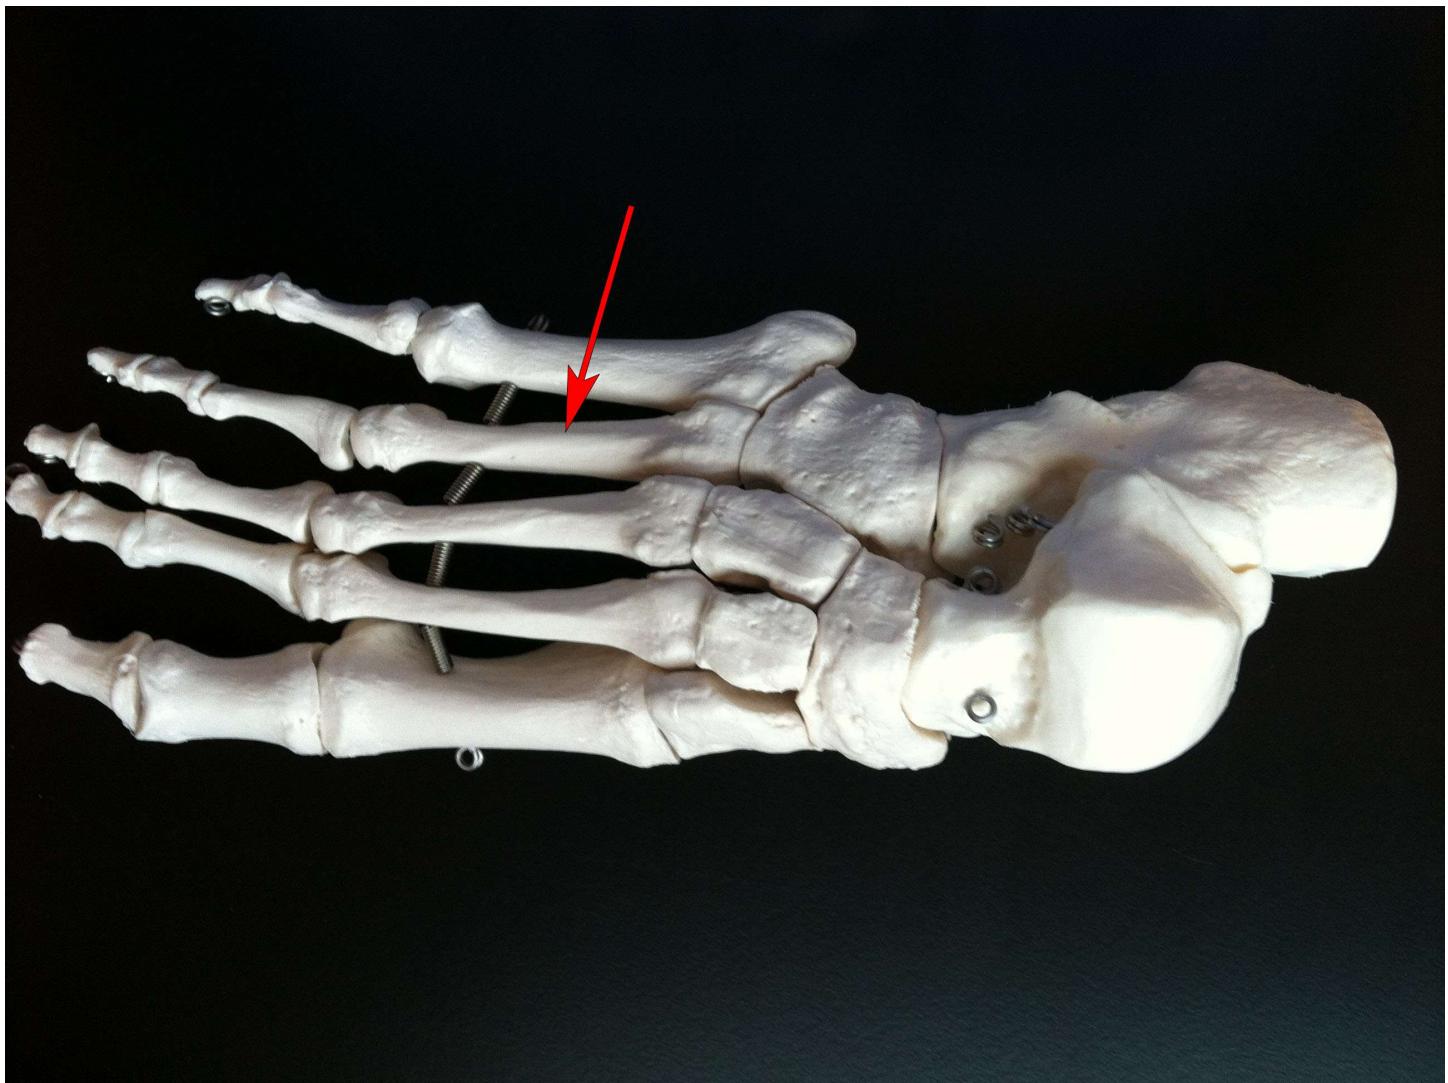

Wrong answer

⋮

Question 25

0 / 1 pts

Name the bone. (Be as specific as you can)

metatarsals

Metatarsal 4

Metatarsal IV

Fourth Metatarsal
